NOTE FOR THE RECORD

SUBJECT: JFK-Person Claiming to be
Assisting FBI Task Force

1. PAI called today to advise me of a call PAI received for information on what CIA is doing to declassify JFK assassination records. The caller said his name was Kal Koff, phone: 408-897-7554 (California). He claimed that he was assisting the FBI's JFK Task Force and this was the reason that he wanted information about CIA's efforts.

2. I gave the information to Grant Harmon, FBI, who said he had never heard of the person, but would call him to learn more.
